

# Peterson Lumber

## **Custom Sawmilling Contract (prices in \_\_\_\_\_)**

This agreement is between \_\_\_\_\_ (Sawyer) and  
\_\_\_\_\_ (Customer)

Sawyer agrees to cut logs at customer's site at a rate(s) of: \_\_\_\_\_/BF -OR- \_\_\_\_\_/HR. Prices will be modified higher for dirt and mud. The prices are based on scaled volume, International Board Foot Scale. The customer realizes that actual derived volume of lumber will be less based on log quality, defects, and dimension of materials cut. Logs will be scaled by sawyer and quantity of board feet given to customer before start of job where cut by board foot.

Customer will be charged a minimum fee of \$\_\_\_ for transportation and setup. In addition, customers outside the locality of Smithville, NY will be charged \$\_\_\_. per mile traveled, one way each day of job.

### **Additional charges:**

Move mill to different location on site - \$\_\_\_ per move

Any blade damage due to striking foreign object in customer's log - min \$\_\_\_, max \$\_\_\_

Trimming (limbs, butt swell, oversize), debarking or cleaning dirty logs, metal removal - \$\_\_\_/hr

Sticker-stacking lumber - \$.\_\_\_\_\_/BF based on log scale

Customer agrees all logs \_\_\_ inches in diameter and less shall be staged on skid logs a minimum of \_\_\_ inches in height and positioned to provide continuous loading without moving the mill. Sawyer may be contracted to stage these logs at a rate of \$\_\_\_/hr. Logs over \_\_\_ inches may be milled in place, however, additional mill moving fees may be required.

Customer agrees to provide labor for tailing lumber and/or slabs and to assist sawyer in loading logs. If said customer is unable to find or provide labor, they may pay a sawyer suggested laborer at the rate of \$\_\_\_/hr.

***It is understood by the customer that log handling and cutting can be hazardous. Customer shall be responsible for conduct of helpers and observers, and agrees to hold the sawyer and the sawmill manufacturer harmless for any injury or damage to helpers or observers arising around activities surrounding the sawmill. It will be the customer's duty and obligation to keep children and observers to the right side of the sawmill operator and out of the immediate work area when the mill is operating. In addition the laborer must stay clear of sawmill tracks until lumber is free and ready for removal.***

Payment in full is expected immediately at end of job or every Saturday, whichever comes first, cash or credit card. Checks are accepted by special arrangement only.

The customer represents that he or she is the owner of the logs and/or has the authority to enter into this agreement on behalf of all interested parties.
